ACADEMIC SESSION 2023-2024

**FOR GOVERNMENT MEDICAL & DENTAL
COLLEGES OF THE BALOCHISTAN**

Prof: Dr. Raz Muhammad Kakar

FOREWORD

Welcome to the world of healing, care and compassion.

Medicine and Dentistry are the noblest of professions and attract the most brilliant students. These students demand a system of selection that is duly probing, robust, transparent and fair. The Government of Balochistan has consistently strived to make the whole process of admissions structured and transparent and that is why it is regularly reviewed to ensure that only suitable and capable candidates are admitted. The Government believes that all candidates should have an equal opportunity to show their suitability for the undergraduate course and entry to the medical and dental profession based on the principles of Merit, Justice, Equity and Transparency.

Students joining medical and dental institutions should be ready to accept the challenges that time has brought to and will continue to bring to medicine. It is an exciting time for undergraduate medical and dental education, and the passions, beliefs and enthusiasm of those who will embark on a satisfying and challenging career are well placed to positively influence and advance the undergraduate learning environment in our institutions.

If you enjoy helping people, Medicine and Dentistry are the most rewarding careers you can choose. As a doctor you will be involved in diagnosing and treating illness and providing advice and reassurance to your patients. It requires an enquiring mind, the capacity to acquire and maintain high levels of knowledge and the ability to relate to individuals each with their own health needs.

Students, however, should be aware of hard work ahead of them as they enter medical and dental section. However, from admission to graduation they must feel confident that the policies of Government of Balochistan are fair, transparent and equitable.

The Prospectus has been designed to facilitate the applicants. It has been tried to make this Prospectus user friendly and the candidates can independently understand whatever written contents are given in it. Much of this document focuses on rules and regulations for selection and admission of candidates. Furthermore, it also outlines the courses of study and examination pattern for both MBBS and BDS students.

We look forward to welcoming you to the first step along your career path in Medicine and Dentistry.

INTRODUCTION MEDICAL COLLEGES OF BALOCHISTAN IN ALPHABETICAL ORDER

BOLAN MEDICAL COLLEGE, QUETTA

Bolan Medical College, Quetta, a seat of Medical Education in Balochistan has a checkered history.

After partition, the country was deficient in trained medical manpower. To fill the gap in a short period of time the Government of Pakistan decided to start Condensed Medical Courses and for that a series of Medical Schools were established in the country. Thus in 1952 Amin-u-Din Medical School was started in Balochistan. It worked for seven years and was closed as a matter of policy that a Medical College to be opened to train fully qualified Doctors in the country at the level of MBBS and beyond.

Earlier on, the medical students from Balochistan had to seek admission in the other medical colleges of the country and were facing great difficulty. After Balochistan got the status of a separate Province in 1970 the people of Balochistan started demanding a Medical College of their own. In March 1971, it was agreed in principle that a Medical College will be opened in Balochistan at Quetta.

In 1972, the Government of Pakistan acceding to the demand of the people of the Province and formally decided to set-up a Medical College “Bolan Medical College (BMC)” at Quetta and agreed to run it as a Federally Funded Project.

Pending the construction of a new full-fledged Hospital and College Building, the clinical classes were started in Sandeman Provincial Hospital (SPH) Quetta and basic classes in the building of a para- Medical School acquired for the College. The BMC college is shifted to the main building of College and the Hospital to attached BMCH hospital building. Now the attached hospitals are SPH, BMCH, Fatima Jinnah hospital and Helper’s Eye Hospital. The laboratories of the basic Departments have been equipped with most modern equipment while the old building is used for Hostel purpose. Later on, BDS classes were started in 1985 and presently a fully functional Bolan Dental Section of the BMC is working under administration of Principal BMC.

Forty-five (45) batches of students numbering 7599 (approximately) have already qualified from BMC. 595 BDS Doctors have qualified from this institution and Thirty-three (33) batches are due to pass-out. BMC faculty is also delivering postgraduate teaching and training of medical doctors of Balochistan.

Sub Office of PMDC is functional since October 2004, facilitating the students and Doctors getting their licenses.

A branch of Pakistan Medical Research Council is functioning since 1979, where the Principal BMC is working as Honorary Director, for up-dating the knowledge of the Teachers.

Plans are under way to introduce Computer literacy classes, open a medical education Department, establish a Resource Centre, a skills laboratory and upgrading the library to meet the new challenges of the time.

INTRODUCTION OF THREE MEDICAL COLLEGES

MBBS SEATS IN JHALAWAN MEDICAL COLLEGE, KHUZDAR, LORALAI MEDICAL COLLEGE, LORALAI AND MEKRAH MEDICAL COLLEGE, TURBAT.

Establishment of three Medical Colleges in Balochistan was notified by Government of Balochistan, Health Department vide Notification No. SO-III (H) 2-1/2017/4048-57, dated 24th February 2017.

JHALAWAN MEDICAL COLLEGE (JMC), KHUZDAR

Named after the Jhalawan region- the princely state of Khan of Kalat, comprising valleys of Zehri, Injira, Naal, Moola, Ferozabad, Wadh and Saroon. It borders with the states of Kharan on one side and on the other side with Mekran. This region has been a gateway stretching back to the time of Alexander the great, who marched one portion of his army to Sindh via Moola pass. Situated in the heart of the Jhalawan Region, Khuzdar, JMC holds the title of being located in the 2nd biggest city of Balochistan which is also home to the public sector Engineering University of Balochistan, Residential College Khuzdar, and also Sikandar Shaheed University, Khuzdar.

JMC started admissions of its first batch in May 2018. The college started functioning in a temporary building situated on the main RCD Road that spreads over an area of 27 acres with four Lecture Halls, four Museums, a full-fledged Computer Library, a Library of Medical Books, 1 Dissection Hall, 2 Common Rooms for Students and an Auditorium for co-curricular activities, all Basic Departments, Administration Offices, Bachelor Lodge and Student Hostel. There is a football ground, cricket ground and a basket-ball court for the students. DHQ Teaching Hospital, Khuzdar is affiliated hospital of JMC housing 200 beds. There is a boys and a girls hostel for Jhalawanians in the center of city and another boys hostel in the college campus. The Main college building is under construction in the Educational Enclave of Khuzdar sandwiched by BUETK, Sikandar Shaheed University and Institute for Special Children. The main campus has an area of 500 acres and a modern-day Teaching Hospital is also under construction at the future site of the College.

LORALAI MEDICAL COLLEGE (LMC), LORALAI

Formerly known as Bori, Loralai district is located at North East of Balochistan. The word Loralai is derived from a stream called Loralai which flows in the southern part of the town with rugged terrain and arid climate. Loralai is counted amongst the vastly underdeveloped districts of Pakistan.

Owing to their abject poverty and primordial healthcare setup of the district people of Loralai have little access to healthcare facilities. Two hospitals, two rural healthcare centers and 28 basic health units (as per Project and Development Department of Balochistan report) are not enough to cater for the healthcare demand of 400,000 inhabitants of Loralai. There is also an acute shortage of skilled medical staff and basic health facilities that has resulted in poor health Indicators including low Immunization coverage and high child mortality rates in the district. Establishment of a Medical College would potentially reverse the fortunes of Loralai abysmal healthcare situation. Acting as a tertiary care hospital and as a medical learning and training Institute, Loralai Medical College, Loralai would not only introduce new healthcare facilities and medical expertise, but at same time will improve the standard of existing healthcare infrastructure.

In conclusion, Loralai Medical College, Loralai will play a pivotal role in future in providing health facilities in an area which remained neglected socially and economically. LMC will contribute in providing tertiary care facilities at door step in the remote area of province and will facilitate for the shortage of doctors in the province of Balochistan.

MEKRAN MEDICAL COLLEGE (MMC), TURBAT

The Government of Balochistan decided to establish three more medical colleges in the province including Mekran Medical College, Turbat through public sector development program during the year 2013-14. Government of Balochistan established Mekran Medical College in the existing building of Girls Mono-Polytechnic Institute. The building was renovated and converted as per the teaching requirement of a Medical College.

The construction of new building of Medical College Turbat was also approved in PSDP 2013-14 and its construction was immediately started; it is still under construction and is near completion. The college will be shifted in the new campus soon. The new campus is now fully functional with classes and laboratories since 2020.

The District Headquarters Hospital, Turbat has been declared as attached Teaching Hospital of MMC. In May 2018 the College started functioning and admission of students in 1st year MBBS has been made as per admission policy of Government of Balochistan. The classes of 1st year MBBS has been started from 17th May 2018.

The existing building of District Health Development Center (DHDC) Turbat has been renovated and converted into hostel for students of the College, and after completion of the campus has boys and girls hostels. The students shifted in 2020.

The Museum, Library, Basic Sciences Laboratories, Dissection Hall with (Human dead body), Auditorium, Common Room for Boys & Girls, Cafeteria, indoor and outdoor Sports facilities including Transport have been provided to the students of college.

The college would enhance medical education in the province and would provide specialized services by qualified and highly skilled consultants. After having graduated from this college the doctors thus produced will provide primary and secondary healthcare facilities in the entire province.

In case of missed or changed left thumb, then use right thumb for impression.
- (vi) Save all the scanned documents, signatures, photograph and Left Thumb Impression (LTI) on the computer on which you are filling your application form. While filling in the online application form the candidate will be provided separate links to upload these files. Click the respective link to “upload” relevant file. Browse and select the location where the scanned document has been saved; Select and Upload by clicking respective buttons. If the file size and format are not prescribed, an error message will be displayed. Make necessary corrections and upload once again.
- (vii) It shall be the responsibility of the candidate to enter correct information and upload all required documents in prescribed manner in his/her online application failing which his application shall be rejected.
- (viii) At this stage, candidate shall not be able to enter his/her preference for colleges which shall be allowed after the display of Aggregate Merit List.
- (ix) Please don’t submit your application hastily. After completing their online application forms, the candidates are advised to take a print-out of their application along with all uploaded documents. If any entry is incorrect or any uploaded document is unclear, make the necessary corrections or re-upload the clear document before you make the final submission.
- (x) Once you are satisfied that your application is complete in all respects, you can make the final submission by clicking the “SAVE & SUBMIT” button after which you will not be able to edit your application.
- (xi) Take a print-out of your submitted application which shall be marked as “Final Copy” on top of it. You will get a bank fee challan with this print-out.
- (xii) A candidate can fill in application for more than one category of seat provided he fulfills the eligibility requirements. However, submitting

more than one application for a single category of seat (e.g., Open Merit), by any means, shall result in disqualification of the candidate for admission against that category.

b. Biometric Verification and Submission of Processing Fee:

- (i) The candidate shall visit, in person, the nearest branch of The Bank of HBL / NBP along with the Final Copy of his application print-out, fee challan form and Original CNIC/Smart Card for Juvenile/NICAP/POC/Pakistani Passport. Please note once again that it is mandatory for candidate to visit the bank in person for biometric verification.

c. Display of Provisional Aggregate Merit Lists:

- (i) After the completion of online application process, the Bolan Medical College shall display on its website category-wise Provisional Merit Lists of the candidates who have successfully applied for admissions.
- (ii) The merit lists shall be provisional. The Chairman Provincial Selection Committee shall have the power to review the provisional merit list in case of any bonafide error, omission, lapse, mistake, fraud or misrepresentation that occurs or is brought to his notice within due time and the merit list will be amended accordingly. Moreover, mere figuring in the merit list will not confer any right on the candidate if he/she is otherwise found ineligible on detection of an error /mistake / fraud / misrepresentation at any stage of admissions.
- (iii) The candidates will be given 48 hours to make written representations through online portal against any bonafide error, omission, lapse, mistake, fraud or misrepresentation in the provisional merit lists. Documentary proof is mandatory in this regard otherwise the complaint shall be rejected.

d. Re-opening of Application Web Portal and Submission of College

Preference:

- (i) After the display of Provisional Merit Lists, the web portal on which the candidates filled online application will be re-activated and the candidates will be allowed to enter the names of respective colleges in order of his/ her preference.
- (ii) The candidate shall only be able to access the form(s) which he/she has already filled and submitted. He/she shall not be able to edit any information he has previously submitted in his/her application.
- (iii) The order of preferences once given shall be final and cannot be changed subsequently. This condition is mandatory and neither any subsequent change is entertain-able nor any exceptions shall be made. A candidate who will not give any preference for colleges shall be placed by the Selection Committee as per his/her merit.

- (iv) After entering the names of respective colleges, at the most, in order of preference, the candidate must again "SAVE & SUBMIT" to lock his/her priority list.

e. Preparation and Display of Selection Lists:

- (i) The College shall prepare Selection Lists of candidates strictly on merit basis i.e. (Provincial, Divisional, Districts and categories).
- (ii) Starting with the first preference, the candidate will be assessed for all the respective colleges he/she has named in his/her priority list.
- (iii) In case of tie between two or more colleges with regards to number of seats left, the candidate shall be placed in the college in which the aggregate percentage of the last admitted candidate is the highest.
- (iv) Complaint, if any, against the Selection List can be lodged in writing within 48 hours of the display of the list.

f. Joining in Respective Colleges:

- (i) Selected candidates shall be informed about their admissions through SMS and e-mail. No intimation whatsoever about non-selection will be sent individually and no correspondence in this regard shall be entertained.
- (ii) The selected candidate shall have to deposit the prescribed fee in his/her respective college by due date failing which his/her admission shall stand cancelled and the seat shall be declared vacant.
- (iii) The candidate admitted against more than one category of seats can avail only one seat at his own discretion. He/she will join that seat by depositing fee within due date and other seat(s) shall be declared vacant automatically. Any attempt to occupy more than one seat shall result in disqualification of the candidate from admissions.

g. Up-gradation Process:

- (i) The candidate getting selected in previous list will be considered for up-gradation in the subsequent list. The up-gradation herein means shift on merit to a college named by the candidate in his order of preference in case of creation of vacancy in that college. The shift in such up-gradation shall be compulsory and mandatory and no exception, whatsoever, will be taken under any circumstances.
- (ii) Right of up-gradation shall be given to only those candidates who have joined their allocated college by depositing prescribed college fee in the preceding list.
- (iii) The candidate shall only be up-graded to a college he/she has named in his/her order of preference, in case a seat falls vacant and the merit of the candidate corresponds with that of the college.

- (iv) In case no seat is vacant in the colleges opted by the candidate, he/she shall not be up-graded to these or any other college and shall remain in the college already allotted to him/her.
